Transiting Pluto in square with natal Neptune

Dec 27, 2020 to Mar 12, 2022, exact Mar 1, 2021; exact Jun 26, 2021 R; exact Jan 4, 2022

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

You are in the midst of far-reaching changes at this time. You are all about your sense of spirituality, and your ideals, right now. Feelings of confusion may come up for you at this time, since you are not entirely at home in the outer world of consensus thinking. You may feel a sense of oneness with the universe, or a heightened religious sense of being an integral part of all life. You are also very aware of other people's emotions at this time, possessing an almost psychic sensitivity to their moods. In the process of identifying with others, you may lose sight of your own ego needs for this period of time. This letting go of yourself can be healthy and rewarding, but it can also be distracting, confusing and exhausting. You may feel the urge to get away from reality for a while, escaping into daydreams or other forms of illusion. Beware of a tendency to use drugs for this purpose, since you may be more sensitive than usual to their influence at this time. This is a tremendously important time in your life, when you are looking more deeply into the meaning of your existence than ever before. You may seek this meaning in the realms of occult studies, for they hold a special appeal to you now, in your strong desire to see beyond the surface illusions of your life. The energy you expend in these almost religious preoccupations during this period is well spent, for the very meaning of your life is the subject of your quest at this time.

Transiting Neptune in trine with natal Uranus

Aug 25, 2021 to Feb 26, 2022, exact Dec 1, 2021 SD

The planetary energies flow smoothly; the connection is easy and beneficial.

Feelings of restlessness and confusion may come up for you during this period of time. You will undoubtedly have new spiritual insights during this period. This transit brings an otherworldly longing to your urge for freedom and spontaneity, and it is likely that you will feel called to find the highest vibration of your own unique expression of yourself in some way. You are drawn to be more sympathetic to others right now, or perhaps sacrifices are required of you, and these events have the effect of altering your self-concept. You may feel like an important piece of yourself has changed utterly, but remember that chaos always precedes the birth of new life, and that rebirth is in your best interest in the long run, however difficult it may be in the short term.

Transiting Chiron in sextile with natal Sun

Sep 25, 2021 to Mar 9, 2022, exact Nov 12, 2021 R; exact Jan 23, 2022

The planetary energies flow together, open into new possibilities, new connections.

You will likely go through a process of realigning your self-concept during this period of time, possibly as a result of the reexamination of old wounds. Early childhood episodes that in some way were damaging to your self-concept may be up for a second look, and new experiences related to these early episodes may help them to appear in a new and better light. These issues could be related to your father or another significant mentor figure from your past. These figures can be an important part of our ego structure as we go through life. The reason such painful issues are reemerging into consciousness is for the purpose of healing these issues and finally moving beyond them. You may find when you have gone through this process that you feel yourself coming into a broader view of your existence. Changes that bring to light new facets of your self-image are good for you in the long run and serve to strengthen your true inner self-confidence, as a more well-rounded view of your life as a whole is revealed to you.

Sep 28, 2021 to Mar 6, 2022, exact Nov 17, 2021 R; exact Jan 18, 2022

The planetary energies flow together, open into new possibilities, new

connections.

You are likely to be undergoing a period of new realizations, potentially painful, around the issues of close personal relationships, as well as finances, artistic expression, and your values in general. Relationship issues are definitely "up" for you, and you may find yourself in the midst of some big changes because of it. It may be that old issues of the way that you do relationship with others, issues that you were perhaps not even fully aware of, may come to the surface during this transit, perhaps brought on by current events such as with regard to your significant partnerships at this time. If you have a close relationship with an intimate partner it may be in the process of transformation during this period, which of course could be extremely painful, but also extremely rewarding as well in terms of the larger picture of your life's path. It is also possible that your artistic expression or your aesthetic values may be in transition at this time, as you leave off ways of feeling and expressing yourself that no longer serve you. The ultimate purpose of these challenges is that you may grow in your self-concept, and adapt your relationship energy to a style that is more appropriate to your present state of evolution, as you let go of habits from the past that have been inhibiting the fullest expression of yourself in relation to another. If the old ways are not working for you any longer, it is best to get on with the new ones, rather than remaining stuck in the mud of previous patterns.

The planetary energies do not flow smoothly, one or the other predominates; discrimination must be employed.

Your psyche is subject to a stressful and potentially vitalizing time. Often our sense of responsibility and the corresponding societal structure we have internalized during our formative years is a poor fit to our more mature and evolved understanding. It is difficult to give up old patterns, but you might be ready to right now. At this time also, difficulties with authority figures may emerge, or your relationship with your father may be challenging. The way you live your life in relation to the structure of society itself may be coming to a point where changes that have been in the works for some time are ready to burst forth into your conscious awareness.
